Direct access to the beach from the house

It is difficult to find the perfect home for a holiday, let alone find one with direct access to the sea. The location of the house provides absolute privacy and the most amazing views over the different shades of blue of the Mediterranean sea. With a southeast orientation, you can make the most out of your long summer days.

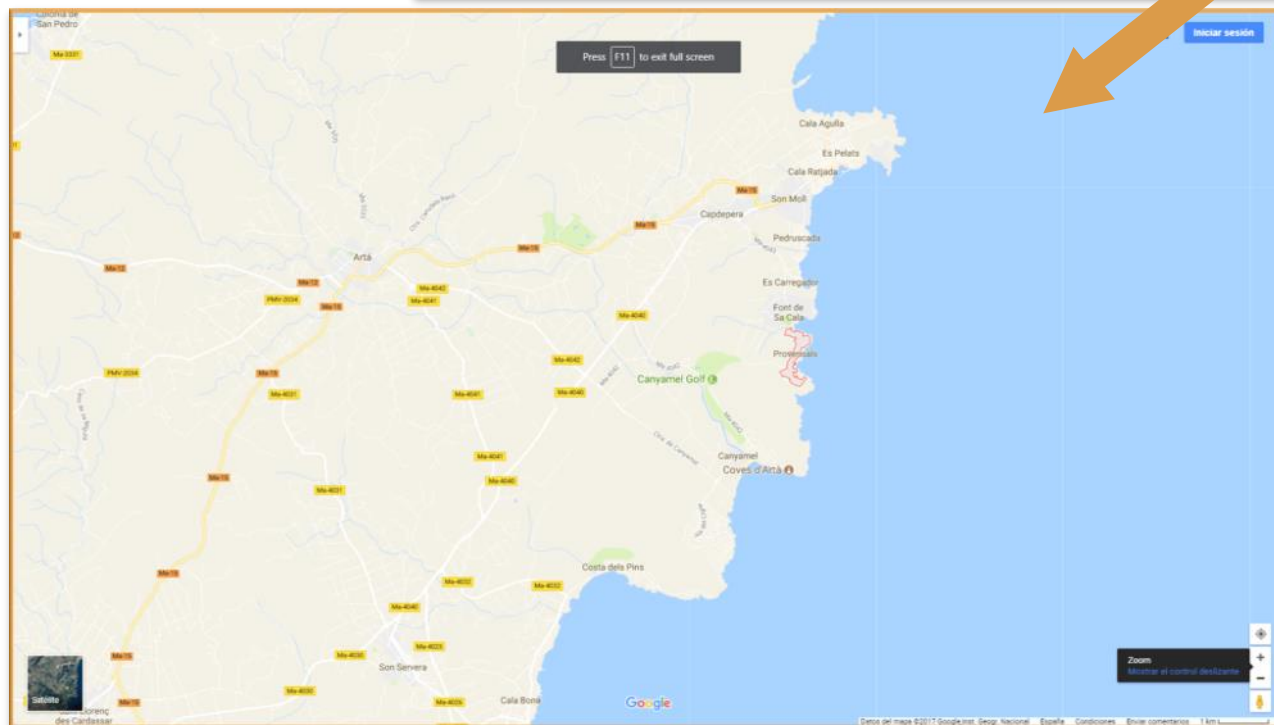

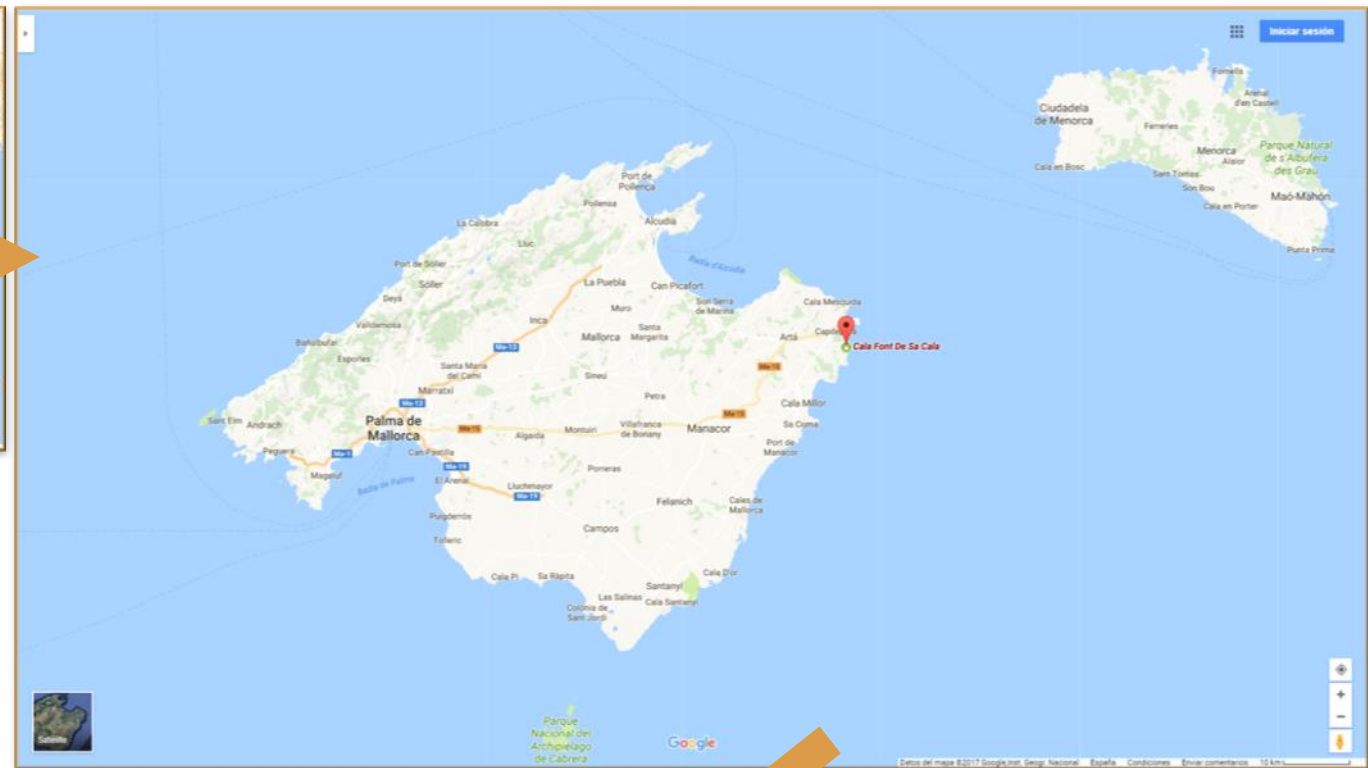

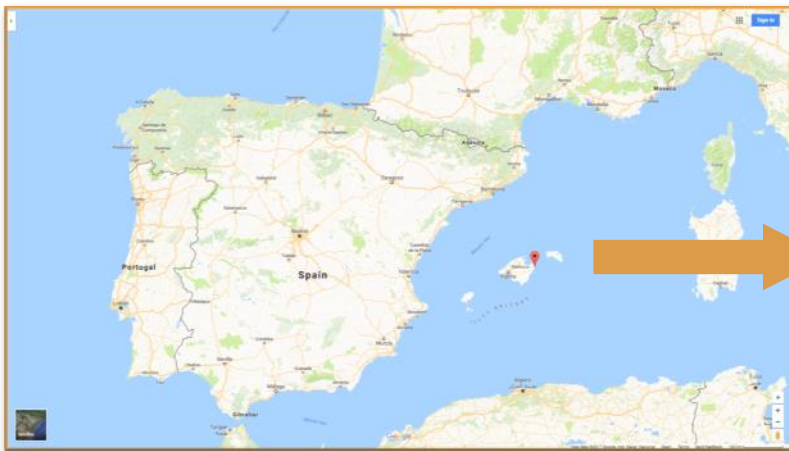

The northeast of the island offers the perfect location for sport lovers. From water activities (sailing, swimming, diving), to cycling, horsebackriding, hiking, golfing (3 great golf clubs just 5 minutes away: Cap De Pera Golf, Canyamel Golf, Arta golf) and last but not least tennis.

The area hosts some of the most beautiful coves and beaches in Mallorca: Cala Agulla, Cala mesquida, Cala Gat, Canyamel and Sa Font de Sa Cala to name a few.

You can make excursions to the different villages nearby, visit the Levant Nature Reserve, very popular for bird watching and its hiking trails, or just enjoy the lively area of Cala Ratjada.
